- Mac Write
- Write Now
- Frame Maker

IBM and Compatibles:

- Word Perfect
- Microsoft Word for Windows

Microsoft Word for DOS

Frame Maker

T_EX users should follow the guidelines given on the ACSII files server.

III. Proofs and Reprints

- (a) Proofs will be sent to the corresponding author indicated on the title page. They should be carefully corrected and returned to the Printing Office as soon as possible, within 48 hours at most. An order form for reprints will accompany the proofs and should be returned to the Printing Office with the corrected proofs. Request for the cover page of the reprints will be charged.
- (b) The journal has no page charges. Reprints in multiples of 50 may be purchased on a reprint order form which will accompany the proofs. Reprints will be sent to the corresponding author.
