

婦產學科助理教授陳啟煌醫師論文獲獎

Assistant Prof. Chi-Huang Chen M.D., Ph.D. Makes Runner Up Position in
Robert G. Edwards Prize Paper Award for 2011

醫學系婦產學科助理教授、臨床醫學研究所博士陳啟煌醫師，其論文
“Evaluating the effects of immunosuppression by in-vivo bioluminescence
imaging after allotransplantation of ovarian grafts” 獲得 Robert G.
Edwards Prize Paper Award for 2011 第二名榮譽。

28 June 2012

Dear Dr Chen

Congratulations for making it to **the runner up position** in the 2011 Robert G. Edwards Prize Paper Award for the best paper published in the journal.

It was a very competitive field and so you should be very pleased with your success. We look forward to receiving further excellent papers from your laboratory.

Yours truly

Jacques Cohen
Gedis Grudzinskis
Martin Johnson

The four short listed papers for the 2011 prize are:

Ooplast-mediated developmental rescue of bovine oocytes exposed to ethidium bromide by Marcos Roberto Chiaratti, Christina Ramires Ferreira, Felipe Perecin, Simone Cristina Meo, Juliano Rodrigues Sangalli, Ligia Garcia Mesquita, Julio Cesar de Carvalho Balieiro, Lawrence Charles Smith, Joaquim Mansano Garcia, Flavio Vieira Meirelles in *Reproductive BioMedicine Online* 22, 172–183.

Differential transcriptomic profile in spermatozoa achieving pregnancy or not via ICSI by Sandra Garcia-Herrero, Nicolas Garrido, José Antonio Martínez-Conejero, José Remohí, Antonio Pellicer, Marcos Meseguer in *Reproductive BioMedicine Online* 22, 25– 36.

Meiosis errors in over 20,000 oocytes studied in the practice of preimplantation aneuploidy testing by Anver Kuliev , Zev Zlatopolsky, Irina Kirillova, Julia Spivakova, Jeanine Cieslak Janzen in *Reproductive BioMedicine Online* 22, 2– 8.

Evaluating the effects of immunosuppression by in-vivo bioluminescence imaging after allotransplantation of ovarian grafts by Yi-Hsin Lin, Yu-Chi Yeh, Chii-Ruey Tzeng, Wei-Jen Shang, Jah-Yao Liu, Chi-Huang Chen in *Reproductive BioMedicine Online* 22, 220– 227.
