圖書館穿新衣，網站改版再升級！

圖書館新版網站已於 2022 年 9 月 6 日換裝上線，期待提供更優質的服務與操作體驗。長久以來，圖書館戮力於開創高品質的資源服務，思考融入 SDGs 優質教育、減少不平等、促進發展全球夥伴等概念。而隨著服務與資源日益增長下，網站呈現與引導更顯重要，此次改版力求有條不紊、快速指引、直覺易用。

本校為國際一流高等教育學府，早期圖書館網站便已有雙語化，並匯集豐沛的知識資源、資料庫、利用教育課程等；此外，亦提供網頁字體大小選擇等更貼心服務。在不斷提升與優化下，於 108 學年度校內網頁英文版競賽獲得行政單位第三名的肯定，亦於網站調整意見調查獲得佳評；此次改版，以使用者角度設計並參酌讀者意見，調整了網站內容架構、使用者身分常用資源指引、一站獲得全體系圖書館資訊、版面調整與視覺化呈現等，重要亮點如下。

全體系圖書館匯集

有別以往採串接各館獨立網頁，新版將全體系圖書館資訊全面整合，在同一網站可切換了解體系內各館資訊(如下圖)。透過此整合，更能了解體系內所有資源與服務，資訊更集中不發散，更希冀促進體系成員間互相交流及參加活動。

A red box highlights a dropdown menu under '今日開館時間' (Opening Hours Today) where '北醫大圖書館' (TMU Library) is selected. To the right, there's a 'Notification' section with a megaphone icon, a 'Notification' heading, and a link to a [公告] (Announcement) about the electronic book lending system. 各類使用者常用資源快速引導

考量各類使用者不同需求，新版彙整各身分、臨床人員或校外訪客等常用服務，可快速引導至常用資源。

The evolution of the TMULs website. Not just a new look!

The new version of the library's website has been refreshed and launched on September 6, 2022. We look forward to providing better services and user experience. TMU libraries have been committed to creating high-quality services, thinking about concepts such as integrating Quality Education, Reduced Inequalities, Peace, Justice, and Strong Institutions and Partnerships in the SDGs. **With the increasing number of services and resources, website presence and guidance are more important.** The new version focuses in particular on a clear and concise layout, quick to guide, and intuitive to use.

In the past, library websites provided bilingual layouts and collected many resources, such as databases, promotional events, and training courses. In addition, the websites won third place in the English version of the school's website competition, and also got good reviews. Highlights of this revision include the following.

We are family

The new version integrates all resources and information on TMU libraries, including the Shuang Ho library and the Wanfang library. With this integration, we can better gather all TMU library resources and information through a one-stop service, concentrate information more and not diverge, and hope to promote mutual communication activities among members of the TMU.

The screenshot shows two versions of the TMU Library website side-by-side. The left version is the old site, featuring separate sections for TMU Library, Shuang Ho Library, and Wan Fang Hospital. The right version is the new integrated site, where these three entities are now listed under a single 'Institution' dropdown menu. Both sites include a search bar, navigation menus, and promotional banners for events like 'Become a TMU E-book Master' and '2022 International Open Access Week'.

Quick guide for a variety of users

The new version provided a feature rapidly guided to common resources by different users.

The screenshot shows the TMU Library website with a red box highlighting the 'Undergraduates' section of the navigation menu. This menu is part of a larger 'Information For' dropdown. To the right, there are sections for 'Today's Hours', 'News', and 'Contact Us'. Below these are links for 'General Regulations', 'Library Card Application', and 'Reading Seats'.

Layout with visualization

The announcement block is especially suitable for the image design, which is more attractive, and thus enhances the functional value of the announcement. Welcome to visit the TMULs Website to take advantage of more resources, [GO NOW](#) (click on the English button)

The screenshot shows a website layout with a yellow header bar containing the title "Layout with visualization". Below the header is a grid of service icons:

- BOOK: My Record Renewal
- Chair: Space Booking
- Cloud with "L": Off-Campus Access
- Document: Get Full Text
- Person with question mark: Library Instruction
- Graduation cap: Thesis Submission
- Scholarly Communication: Scholarly Communication
- Contact Us: Contact Us

To the right of the icons is a large image titled "Predatory Journal & Preliminary Check Service" showing a person working at a desk with a computer monitor displaying various documents.

Below the icons is a red header bar labeled "News". Underneath it are four news items:

- [Training] Cochrane Library: Two images showing hands using a laptop.
- [Training] [Fwd] Cochrane Library -3: The Case: How to apply Cochrane evidence (Nov 3)
- [Event] Become a TMU E-book Master: SHHL Relocation Celebration Events(2023) with an image of a person reading a book.
- [Events] International Open Access Week: Oct 24-28, 2022 with images of books and a lock.

At the bottom right is a red "More..." button.
